Harald Fairhair, who first united Norway in a single kingdom, the saga says he is buried here. Saint Olav's Church, the Nordvegen History Centre and the Viking Farm, all at Avaldsnes, invite you to relive history. The Church and History Centre offer majestic views of sheltered Karmsund strait, the original "North Way, or way north, hence "Norway".

Our nature varies from deep fjords with majestic waterfalls and glaciers to open landscapes.

Fishing, aquaculture, shipping, oil and gas are very important industries.
