## Rotary International Lithuania Youth Exchange Program

What did I enjoy the most in this camp?  
The answer is obvious – I enjoyed gliding with a professional instructor. We reached 400 meters height. It was wonderful. It was one of the best experiences I have ever had.

- Felix Finkbeiner from Germany

The most wonderful experience in this camp was gliding in 300 meters height. I had an opportunity to control the glider for 10 seconds. It was an incomparable experience! I also enjoyed a trip to aqua park and shopping mall.

- Robert Paulinsky from Slovakia

It might sound a little odd but I'm always very happy to see tears in the eyes of camp participants at the end of the camp. Then I know, that everything went very well.

- Arminas Murauskas,  
St. Christopher RC
